WELCOME MESSAGE

Dear ladies and gentleman,

It is my great honour and pleasure to invite you on behalf of the University of Applied Health Sciences, the Expert and Organizing Committee, to the 20th Nursing Conference and 6th Health Professions Conference - *Crisis Management in Nursing and Healthcare*, that will be held on 6-7 May 2021 in the virtual environment.

2020 has brought about the COVID-19 pandemic, and has presented us with a number of new challenges and requirements. Therefore, following the current situation in the health system and the education of health workers, the conference topics this year will be the following:

- Crisis management in nursing and health
- Health institutions in crisis situations
- Environmental safety
- Crisis communication
- Trends in the education of health professionals

The conference will be attended by top experts and experienced researchers from various fields of health and education of health professionals, who will share their knowledge and experience with the conference participants during the plenary sessions, and I would like to thank them for accepting our invitation.

As in previous years, the students of the University of Applied Health Sciences are also participating in the conference with their poster presentations.

On this occasion, I would also like to thank the conference auspices - the President of the Republic of Croatia, the Ministry of Science and Education of the Republic of Croatia, the City of Zagreb, the Croatian Chamber of Physiotherapists, the Croatian Nursing Council and the Croatian Chamber of Health Professionals.

We would especially like to thank the sponsors who contributed to the organization of the conference.

And once again, I thank all the participants for their involvement in the work of our conference.

Dean

Professor Krešimir Rotim, MD, PhD
